

Become a CCWAA organizer today!

Do you want to make a difference in your Chiari community?

Are you interested in becoming a Site Organizer for our annual Conquer Chiari Walk Across America? Since its inception in September 2008, the Conquer Chiari Walk Across America has been held in 244 cities in 47 states with over 98,000 participating walkers, and has raised over 5.8 MILLION dollars.

"Being an organizer for the CCWAA is such an amazing and rewarding experience. To see all the connections being made IS definitely the gift of giving back to the community, and it wouldn't have been possible without us." ~Debbie & Breanna, Morgantown, WV

Our continued success is due to the many dedicated Organizers & Volunteers who devote so much of their time and energy, our generous sponsors from across the nation and most importantly the participants who make the CCWAA such a special event each and every year.

On the 3rd & 4th Saturday of September, thousands of people across the country will gather to show their support in raising awareness and funds for medical research for Chiari Malformation.

Starting your own walk can be terrifying but the team at Conquer Chiari and the group of previous organizers are so incredible. They helped guide me along the way and it was so great to meet people in my own community that felt so alone and now we can fight this together! Together we are stronger. Chiari can be lonely ...But it doesn't have to be. ~ Diana Martin, Lake St Louis, MO

PLEASE NOTE, that we generally keep a distance of **no less than 75 miles or 1 hour of driving time** between walk sites. At times, we do receive multiple applications for a general area. If this happens we do our best to match volunteers with an existing walk site.
