

Has Chiari changed your life?

**Chiari Advocates & Researchers Together**

## Project ChART

Will bring together Chiari community stakeholders to map a path forward to Conquer Chiari. We are looking for, (2) adult patients, (2) older teen patients, (2) parents of younger patients to participate.

## You will

- Undergo training
- Attend monthly virtual meetings
- Act as the voice of your community
- Make a 2 year commitment
- Be financially compensated for your time and effort
